

NORTHAMPTONSHIRE BRITAIN'S BEST SURPRISE

WELLINGBOROUGH

Wellingborough has a thriving museum and adjacent to it the new Castle Theatre. The town supports three football clubs and Harrowden Hall to the north is the elegant, early 18th century club house for Wellingborough Golf Club. Other sites worthy of note are The Embankment, a public park created in the 1920's /30's alongside the River Nene and Chester Farm to the east of the town, with it's Roman and other remains, which opens to the public in 2017.
